No. 3987/64

AGRL & FOREST DEPT. (RECEIPT)

Sir,

Sub:- Work of Demarcation, enumaration and valuation etc., connected with the Forest area of 2500 acres, for Tibetian Refugees.

....

The Divisional Forest Officer, Working Plans, B.C., Belgaum has got printed 9000 enumaration forms required in connection with the enumaration works to be done in the area allotted to Tibetian refugees in Mundgod Range at M/s. Manohar Printing Press, Belgaum at a cost of Rs.105/- after calling for competetive quotations and accepting the lowest rates quoted.

The Conservator of Forests, Working Plans and Development Circle, Bangalore who had recommended for the sanction to the expenditure of Rs.105/- incurred on the printing of the forms was enquired as to why the forms required were not got printed in the Government Press.

The Conservator of Forests, Working Plans and Development Circle, Bangalore in his letter No. S2-FLS-151/63-64 dated ~~30-7-1964~~ and 1-8-1964 (copy with a copy of its enclosures enclosed) has furnished the reasons warranting the printing of forms at the M/s. Manohar Printing Press, Belgaum.

p.t.o.

Under the circumstances, I request that orders of Government sanctioning the payment of Rs.105/- in connection with the printing of 9000 enumaration forms and ratifying the action of the Divisional Forest Officer, Working Plans, B.C.Belgaum in having got printed 9000 enumaration forms in anticipation of Government sanction, may kindly be obtained and communicated early.

The expenditure on this account is debitable to the head " 70 Forest- other charges -I - Working Plan Organisation".

.... Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

With reference to the above, I enclose herewith a copy of letter No. DPT/WPS/289-63 dated 28-7-1964 of the Divisional Forest Officer, Working Plans B.C.Belgaum, along with a copy of printed form for kind perusal.

In view of the urgency of getting the forms printed explained by the Divisional Forest Officer, the action taken by him be ratified and sanction for Rs.105/- as already recommended in my letter of even No. dated 26-2-1964 may kindly be communicated early.

Sub;- Same as above.

Ref:- Your No. S2-Fls-151/63-64 dated 18-7-1964.

.....

Orders to carryout the works of demarcation, enumeration

and valuation etc., connected with the clearance of standing growth in the areas earmarked for the settlement of Tibetian Refugees were received in this office on 13-1-1964, under Chief Conservator of Forests, in Mysore, Bangalore's No.A2(B)-3036/63 dated 8-1-1964. The work which was being done previously by the Kanara Working Plans Division, was taken over by this Division on 21-1-1964 as already reported under this office No.ADM/SBF/1 dated 28-1-1964.

.....

It was also made clear in the above cited reference that there was neighter a Cyclostyling machine nor adequate stock of paper in this office, and as the work was to be completed by end of March 1964, the Under signed was compelled to sanction. It is further pointed out that there was no time to observe the formalities of getting the forms printed at the Government Press and this procedure would have hampered our works and they would not have been completed by March 1964 and as ordered.

In view of the above said facts, my action may kindly be ratified.
